

THIRTY-YEAR REVIEW FOR DIJON BASED GALERIES LAFAYETTE STORE

Galeries Lafayette have entrusted Uxello Grand Est with the complete thirty-year fire protection review of their famous store in Dijon, recognized for its architecture.

The work took place at night in order for the whole building to be protected. The work also included the creation of a water source in the basement. The achievement resulted in the company being referenced by Galeries Lafayette and thus obtaining all its thirty-year review contracts in the region (four sites).
