

## VINCI ENERGIES GROUP

[Configure cookies](#)

**Uxello unites the fire safety expertise of VINCI Energies France.**

In a world undergoing constant change, VINCI Energies focuses on connections, performance, energy efficiency and data to fast-track the rollout of new technologies and support two major changes: digital transformation and energy transition.

With their strong regional roots and agile organizational structure, VINCI Energies' business units boost the reliability, safety and efficiency of energy, transport and communication infrastructure, factories and buildings.

2017 : 10,8 billion € (turnover) / 69400 employees / 1600 business units / 53 countries
